PUTTING YOUR DOLLARS TO WORK

2K A DAY

WITH THE SUPPORT OF OUR DONORS, ON AVERAGE, THE FOUNDATION PROVIDES $2,000 A DAY OF SUPPORT TO COMMUNITY PROGRAMS AND INDIVIDUALS.

Use of Funds

Due to the generous partnership with Banner McKee Medical Center, **100**% of your donation goes to a donor directed fund.

Financial Statements

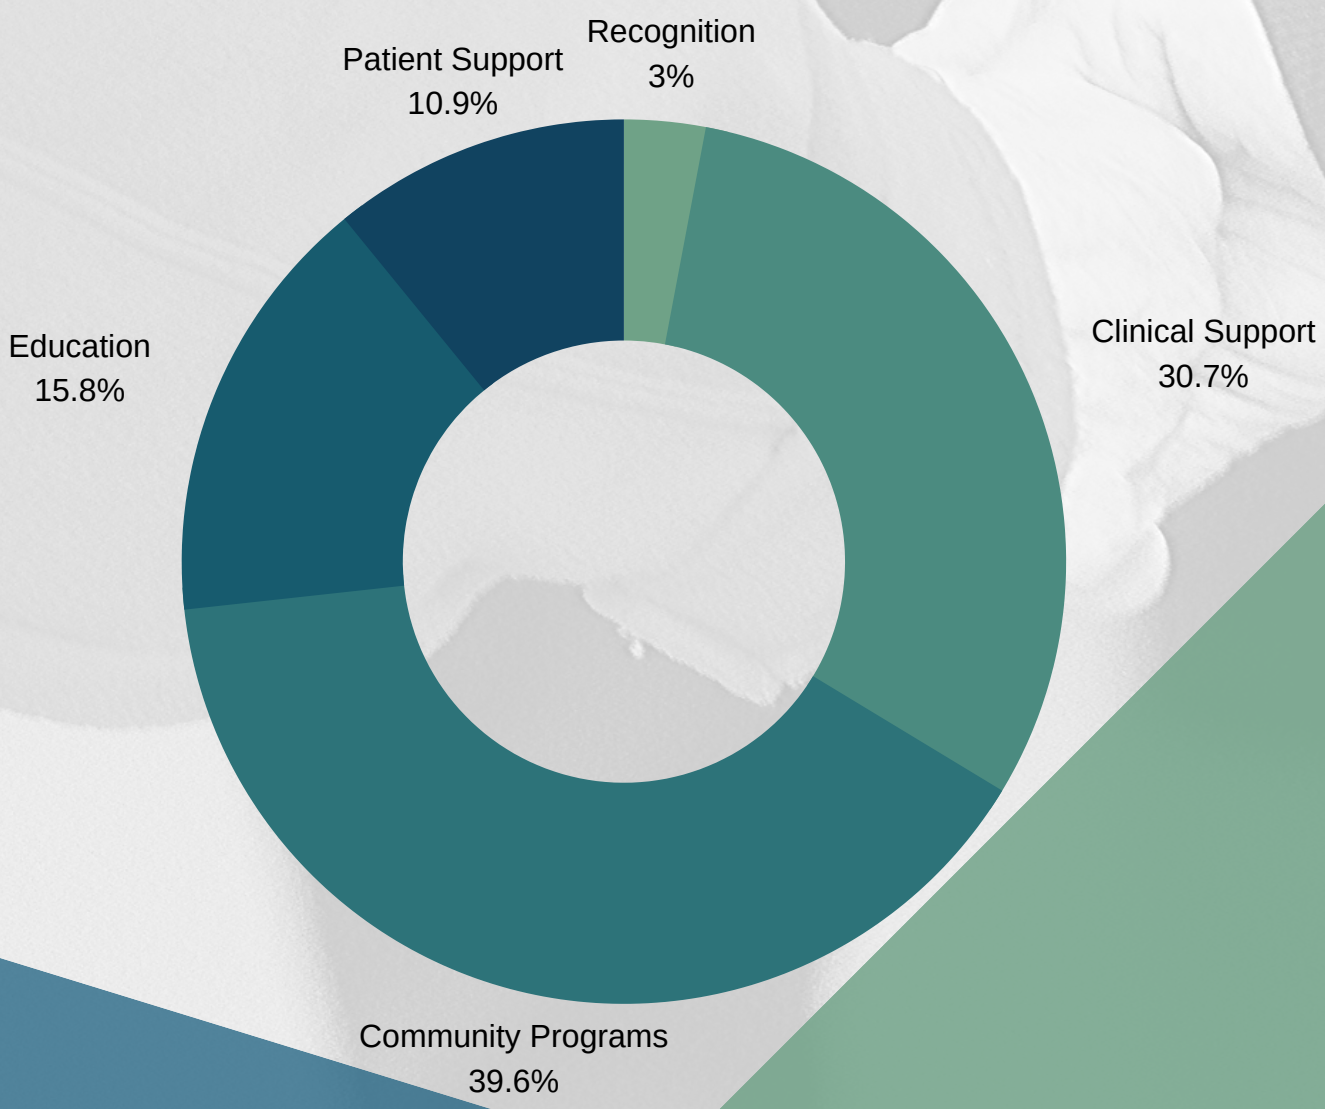
These statements present the financial position of McKee Wellness Foundation for Fiscal Year 2018, which runs from January 1 through December 31. All figures are reported in accordance with generally accepted accounting principles.

2018 AT A GLANCE

29	11	16	$610,000
COMMUNITY GRANTS	SCHOLARSHIPS TOTALING $55,000	CARE INNOVATION GRANTS	TOTAL GRANTS

"This means more to me than I could ever express in words. I am humbled by your generosity. This will help me so much in achieving my goals of becoming a registered nurse."
- Kathryn Cremeens, 2018 scholarship awardee

Pillars of support



HIGHLIGHTS OF 2018

Supporting Veterans

The Blue Star Fund was created to support local veterans through partners who work directly with the veterans in our community. In its first year, we were proud to raise over $189,000. The intended use for the grants is to bridge gaps in veterans' wellness. First year grant partners include: Loveland Housing Authority, Front Range Community College, Heart J Center, Vets4Life, and Larimer County Veterans Services.

Care Innovation

Clinical support for Banner McKee and Fort Collins Medical Centers is a central component of the McKee Wellness Foundation mission. Multiple funds support this pillar by helping to purchase new equipment, educate staff, and update the facility. In 2018, $160,607 were granted to support the innovation of care in our partner facilities and to purchase equipment to support breast cancer screening, heart health, birthing experiences, tele-health and numerous education opportunities.

Heart Health Program

Our annual Turkey Trot encourages kids and families to enjoy an activity together on Thanksgiving Day. We began offering participation grants to the Thompson School District schools in honor of any student, teacher, or staff member who participated in the Turkey Trot. This encouraged the community to come together on a day of giving and resulted in over $14,000 in grants to individual schools in support of their wellness programs.

DIRECTOR'S CORNER

At the end of each year, we are gifted time to reflect on the successes and challenges of the past twelve months. As I gather my thoughts around 2018, the words that come to mind are: amazed, proud, loving, generous, and yes! I am amazed and proud of how the community embraced new ideas and changes. With this support, we were able to develop new programs and enhance others to serve the wider community. I have felt the generous love of the community and the support that northern Colorado has for our veterans by coming together to forge partnerships in support of community members. Lastly, the belief that when we pull together and start with "yes," we can change lives. By starting with yes, the Foundation continues to evolve with the needs of the community and support Banner McKee and Fort Collins Medical Centers, along with individual programs and the greater community in their pursuit of health and wellness.

I am consistently amazed at how our community and our partners make a difference every day! Thank you for believing in the McKee Wellness Foundation and your northern Colorado community! It is truly only with you that we can say yes!

Sincerely,
Allis Gilbert,
Executive Director
