

BREAST TREATMENT

This fund supports patients who need diagnostic testing, biopsy, treatment, or other support related to the diagnosis of breast cancer, but may not qualify for other breast cancer support funds.

SERVICES COVERED:

- Co-pays and medical bills
- Counseling/mental health services
- Rehabilitation/physical therapy
- Reconstruction costs, prosthetics, and accessories
- Wound care costs
- Home care support

CRITERIA FOR USE:

- Patients in need of breast cancer treatment or in need of testing before treatment can begin
- Biopsy costs: paid at the current Medicaid rates
- Not currently eligible for Medicaid or CICP support
- Patients qualify at or below 500% FPL, or have a barrier such as a high deductible (other uses may be considered on a case by case basis)
- \$1,000 of grant support per patient maximum
